

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

July 31, 2007

### **H.R. 3087**

**A bill to require the Secretary of Defense to submit to Congress reports on the status of planning for the redeployment of the Armed Forces from Iraq and to require the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, and appropriate senior officials of the Department of Defense to meet with Congress to brief Congress on the matters contained in the reports**

*As ordered reported by the House Committee on Armed Services  
on July 27, 2007*

H.R. 3087 would require the Administration to submit to the Congress a series of reports on plans to withdraw U.S. military forces from Iraq. The bill also would require senior Department of Defense officials to provide briefings to the Congress on that same topic. CBO estimates that H.R. 3087 would have no significant budgetary effect.

H.R. 3087 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
